

CITY OF PHILIP RESIDENTS PUBLIC REMINDER PROPERTY MAINTENANCE – MOWING & NOXIOUS WEEDS

The City of Philip requests that all residents please consider this as a **courtesy notice** to all property owners of real property within the City limits of the City of Philip, South Dakota.

Property owners of all real property within the City limits are required by **City Ordinances #15-401 to mow and maintain lawns: and, control noxious weeds upon said real property.** Any grasses and/or weeds growing to a height of 12 inches or more as well as any noxious weeds upon any real property are considered a public nuisance and are in violation of said ordinance. ***Noxious weeds include, but are not limited to the following: canadian thistle, goldenrod, ragweed, burdock, cocklebur, sandbur, milkweed, etc.***

The City Council strongly encourages all property owners of any real property within the City, occupied or non-occupied, to comply with City Ordinances--keep your properties mowed & sprayed to prevent the spread of noxious weeds.

Property owners are also notified that City personnel will be trimming those trees impacting the public right-of-way this spring. This includes those overhanging the streets, alleys & sidewalks in accordance with City Ordinance.

We thank you in advance for all your cooperation and dedication in maintaining your properties and improving the appearance of our community.
